

What's your big dream?

Do you want to be a doctor, a police officer, or a singer? Or maybe you're more of an adventurer and love to explore? Whatever your dream, you count on your education to help it come true. What if you didn't have access to the classes you needed? Chances are you wouldn't reach your dreams. In Bangladesh that is how it is for a lot of girls.

That's where we come in. In 2015, Coins for Kids is partnering with Uttam's Place, a wonderful after-school program for girls, located on the other side of the world in Bangladesh. Uttam's Place helps girls journey from life in the slums to a much better life as college graduates. Best of all they learn about God's love and His BIG dream for them. They are girls just like you—girls with dreams. They are smart, talented, and energetic girls who want the opportunity to be who God created them to be.

How can you help the girls at Uttam's Place live out their big dream? When you give to Coins for Kids in 2015, offerings will help provide a permanent home for Uttam's Place so they can keep on helping girls just like you. Together, let's give coins to help make their big dreams come true!

What is Coins for Kids?

Join Girls Ministries clubs everywhere as we partner with BGMC* to make our coins count! Each year we introduce one project to help kids around the world. Together we've helped build . . .

- a caregiving team for Orphan Care in China
- a school for kids in Venezuela
- a multipurpose building for Camp AN in Alaska
- cooking centers for kids in South Africa

These are just a few of the ways we've been able to make a difference for kids.

**Churches that give to Coins for Kids through the national Girls Ministries Department will get both Boys and Girls Missionary Challenge (BGMC) and World Missions giving credit.*
